

Please explore this potential subscription research site.  
I think it would be a valuable resource across grade levels.

Click the logo to watch a brief and very descriptive video about the site

Then investigate (*and encourage your students to poke around as well*) by logging onto:

**MYSTERY**science

We now have a school-wide subscription to Mystery Science and I KNOW You'll LOVE this site once you try it out.  
This is perfect time of year to do so!

If you haven't already signed up, click [here](#) to set up your account!

I created this [chart](#) to align your science unit (next year's GSE standards) with the units.

## E-Books!

Have you and your students been accessing the e-books we have available through MackinVia? There are lots of great fiction books as well as a plethora of non-fiction titles aligned with your units!

Just8 login to MackinVia and click on e-books on the left side of the screen...then start scrolling!

## News You Can Use from Abbotts Hill's Learning Commons

*Week of April 17- April 21, 2017*

## **BOOK SWAP**

**We're still collecting books for the Book Swap so encourage your students to scour their bookshelves at home and bring any unwanted books that are in good condition to the Learning Commons. They'll receive a credit to select used books that others have brought in during the last week of school!**
