

Six Flags Read to Succeed

I've entered all of your students in your Six Flags *Read to Succeed* accounts. It is now up to you to decide if/how you want to track their reading hours. Typically, teachers simply enter 6 hours per student in February or so since they've all read at least that much independently by March and this is what is required to earn a free ticket to theme park.

Just logon to <https://feedback.sixflags.com/rtss/> and enter your password from last year (if you remember- or use the "forgot password" feature). If you are new, register with your email address (which is how I added your students).

All For Books" \$ Collections Continue Through November 11th

The class that raises the most money for All For Books will earn themselves some pirate treasure!

Don't forget to have your class create an advertisement poster and earn a free paperback book! This year's theme is "Bookaneer Book Fair" so treasure, pirates, pirate ships, parrots, etc. should adorn the ad! The Book Fair will run from Nov. 14th-Nov 18th

News You Can Use from Abbotts Hill's Learning Commons Week of October 31 – November 4

Lightning to VGA Adapters

iPads!

If you forgot, please bring them any other time this week!

Since this week is the first week of November, PLEASE remember to bring your iPads that came from the iPad cart, your chargers, your surge protector, and your keyboards (if you have any) to the Learning Commons **when you bring your class**. MaryLou needs to visually check them and mark them off as checked. She will then immediately return them to you. THANK YOU!

This will be repeated the first week of each month!

I've purchased 6 Lightning to VGA adapters which will be checked out to the 6 grade chairs this week for use by each grade level. They make it easy to connect your iPads to the Epson projectors to share student work, lessons, websites etc. rather than connecting your laptop. Don't know how? 2nd-5th grade Tech Titans should be able to help you. I can help too, of course!
