

Keyboards for the iPads

If you'd like to borrow a couple of keyboards that plug into the iPads, please stop by the Learning Commons. It's a great way for students to use the iPads while simultaneously working on their typing skills.

Checking the Portal Calendar

Be sure to check the Learning Commons portal calendar each Friday to see whether there are any programming conflicts with your "fixed" class time. Remember that standing meetings (planning, book clubs, etc.) and grade level programs take precedence over fixed lesson times so on occasion, you may need to reschedule.

Instructional Focus Time

Please allow your Tech Titans a few minutes on Wednesdays and Thursdays to share and teach about what they're learning and doing. They are a wonderful resource for YOU and your other students regarding technology.

Please remember to send your Technology Titans to the Learning Commons at 9:30 on Mondays, Tuesdays, and Fridays. This first week, students have been arriving quite late and it is difficult for us to accomplish what we need to do.
