

Inspirational Quote Posters

Please encourage your students to create inspirational quote posters using their own thoughts, or others' words that have inspired them.

Neat handwriting and a colorful picture are essential!

Once done, have them bring their quote to the Learning Commons so I can share it on the morning announcements.

NEWSELA

Check out Newsela.com in the News For Kids group on MackinVia. This incredible site lets you select current news articles by grade level, category, reading skill and more. Each article is then presented in several different Lexiles – the content is basically the same, but the vocabulary and complexity are varied. Talk about differentiation with relevant topics!

News You Can Use From Abbotts Hill's Learning Commons

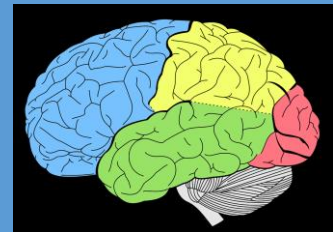

Week of September 19- September 23, 2016

Please make a note of the time that you are scheduled to visit the Learning Commons.

I know it is a lot to keep track of, but I won't be asking Sharon to page classes anymore.

Beginning in October, each class will have a regularly scheduled day and time for their visit. More information is forthcoming in an email.

Do all of your students know their student ID numbers and passwords?

If so, please let me know so I can add you to the Clifford Wall of Fame! Also, please take a class photo and email it to me for the Morning Broadcast once this goal has been achieved.

Once students can quickly logon to MackinVia, we can begin using more technology in the Learning Commons!
