

Do you need **books** for your classroom library?

The “weeded books” shelves are being continually restocked and replenished so please feel free to take any and all that you can use in your classroom! Since they are Fulton County property, they *cannot* be given to the students as gifts. When you’re in the copy room, be sure to SHOP (all books are **FREE**)!

Lots of NEW E-Books on MackinVia

Thanks to the county, I was able to purchase many new e-books that are easily accessible on MackinVia! While some are for pleasure reading, many are related to the standards AND are multi-user meaning that everyone can access them simultaneously.....
Revolutionary War! Civil War! Economics!
Conservation! Weather!
Biographies! Solar System!

NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!

News for Kids Group on MackinVia

Don't forget about the News For Kids Group on MackinVia. It contains three sites (Time for Kids, Scholastic News for Kids, and Newsela) which each present current news in a kid-friendly way!

REMINDER

On testing days, Media classes will be held in your classrooms unless otherwise noted on the schedule emailed yesterday. Classes will not be held in the Media Center and students may not check out books on testing days.
