

iPads

Please be aware that per a NEW Fulton County policy, all of the iPads in the carts **now have passwords.**

If the iPad requests a 4 digit password, it is 1 2 3 4

If the iPad requests a 6 digit password, it is 1 2 3 4 5 6

STUDENTS SHOULD NOT BE MODIFYING PASSWORDS!

THEY SIMPLY NEED TO ENTER THE CODE.

*The **wifi** password this month is: positive*

Georgia Picture and Chapter Book Award Contenders- **E-Books!**

Please encourage your students to read the Georgia picture and chapter book contender books which are located in two new groups on MackinVia. We don't have access to ALL of the books yet, but do have access to quite a few.

This is a great way to get the kids excited about reading books online!

Spotlight on a fantastic resource:

Padlet

Padlet can be found in the Teacher Tools Group on MackinVia. It provides a simple means of allowing student input by having them post to a shared "electronic" piece of chart paper. Simply set up an account and share the link to *your* padlet!

NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!

Laminator Love

Thanks to everyone for being so careful with our laminator! After the initial rough patch at the beginning of the year, things have gone very smoothly with the machine and I am thrilled that teachers now have direct access.

*Some people have asked for reminders about its availability. The laminator is open for teacher use **daily** after school. Parent volunteers come to laminate on Tuesdays and Fridays. The bin for work to be laminated is located in the professional resource (video) room.*
