

Document Cameras

Are you in need of a document camera for your classroom? I've ordered several more! I'm not sure when they'll be arriving (hopefully before the end of the semester), but when they get here, I'd love to get them into the classrooms that need them as quickly as possible. Also, if you have a document camera that you are not using, please return it to the Media Center.

Reminder about "Bathroom Book Baskets"

The baskets of picture books located in the adult restrooms in the second grade hallway are not for your pleasure reading while in the loo. 😊 Feel free to borrow a basket and allow the kids to read while waiting for their class at restroom breaks. It's a great way to give them a few extra reading minutes and to keep them quiet in the halls.

Spotlight on a fantastic resource:

BOOK WIZARD

Direct students to this site so they can search for books that match their interests and reading levels. It is searchable by DRA level, "books similar to other books", author, and more! Of course, not every book in the Book Wizard is in our Media Center, but it will help students create a list that they can then use to search in Destiny.

NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!

This amazing resource is located in the "Looking for a Great Book to Read?" Group in MackinVia!

Using Destiny from home or your classroom

Several teachers have asked about how to investigate whether we have a particular book in the Media Center, so here's a link to a short video which teaches how to search for a book using Destiny. Just click [here!](#)
