Safari Montage Mini Lesson Anyone?

If you'd like to know more about the amazing resource called Safari Montage, I'd be happy to conduct a mini lesson next Friday on Professional Development Day. Please let me know what time would work best if you're interested.

Spotlight on a fantastic resource: **DESTINY**

Destiny is much more than a simple database that organizes our book collection! You and your students can use it to search for books within specific Lexile ranges, by keyword, genre, and much more. It is web based so you can even check from home to see if a particular book is available in our collection!

Click [HERE](#) to watch a short screencast about searching for books within Lexile ranges- share with parents!

Legal and Safe Images

Please remind your students to use the Images Resource Group on MackinVia when looking for pictures to add to projects. Googling and then copying, and pasting is actually in violation of copyright laws.
