

**Literature Links
for ALL Subjects**

We have lots of amazing books that would LOVE to come to your classroom to engage students in your **math, science, social studies, and ELA** lessons. If you'd like to borrow some, just email what you're looking for and we'll find them for you! *Nothing grabs a child's attention like a good story...it might be just the hook you're seeking!*

They need to recharge.....

Please return the laptop and iPad carts to the Media Center before **3:00pm** each day. Thank you!

Spotlight on a fantastic resource:

Cube Creator

**NEWS FROM
THE MEDIA
CENTER THAT
YOU CAN USE
(REALLY)!**

**Professional Development
Meeting on Friday?**

Check out this excellent product creation site by clicking [here!](#) Your students can create three dimensional bio cubes, mystery cubes, story cubes, or design one of their own.

I've only heard back from a couple of people about possibly meeting on Friday for a small group Safari Montage and/or MackinVia training. If you're interested, please let me know so I can contact everyone who wants to meet to arrange a convenient time.
