**Spotlight on a fantastic resource:**

**Britannica Online School Elementary**

You and your students will **LOVE** this site! It is easily searchable, offers three levels of text difficulty, provides read-aloud, translation, printing, emailing, and citing of articles, and can be filtered by Lexile! In addition to articles, it also has images, videos, magazines, websites!

**NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!**

## SIX FLAGS

I've entered all of the students in each teacher's Six Flags account. Given all of the new students and those who have left, **please check your list to confirm that it is accurate.** In order to earn a free ticket, students need to read (or be read to) for at least six hours outside of required reading for school.

If you want to keep track, it is your choice to do so, or I will enter 6 hours for all if I see nothing has been entered for your class toward the end of February. Hours must be logged by March 1<sup>st</sup>. Visit your account by clicking the icon to the left.
