

Remember Rebus Stories?

Rebus stories replace some words with pictures and are a wonderful way to relax early readers since they provide a break from deciphering words. We have quite a few in the Media Center. Let me know if you'd like to borrow some to use with your class!

Do you know how to unlock your computer if you receive a "Your Account is Locked" message?

It's easy! Just login to fultonschools.org and scroll to the bottom of the page. Click on "Password Reset" under the Login column. Then click on the "Self-Service Password Reset Tool"! Follow the instructions to set up your 3 security questions

In the future, if you ever get locked out, just click on the Password Reset Tool, answer your security questions, and YOU'RE IN!

NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!

Attention Fourth and Fifth Grade Teachers.....

I've empowered your students with the opportunity to write book reviews to share their love and knowledge of books with their peers. Please remind them that if they have a few minutes of extra time in the classroom (early morning, dismissal, etc.), they can login to PortaPortal and write a review. Each one takes just a couple of minutes. Thank you!
