

Spring Break Review Suggestions

Consider suggesting to your students that they spend some time on MackinVia during Spring Break- It is an engaging and fun place for them to review skills and concepts. The Research Group and Animated Sites for Learning Group are ideal for practice!

For those lovers of music...

Two new sites have been added to the "Want to Learn Even More?" Group on MackinVia. They are NATIONAL JUKEBOX which plays audio recordings of music from any date in history and THE SAN FRANCISCO SYMPHONY FOR KIDS which allows you to compose, play, and explore music!

NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!

Spotlight on a fantastic resource:
Microsoft Word Translate!

Did you know that you can translate any Microsoft Word document you create into another language? This is extremely useful for handouts, assignments, parent emails (copy and paste), etc. Just click on "translate" which is located under the main Word => File tab!

Author Visit Next Wednesday!

Don't forget, an author will be visiting our school next Wednesday during each grade level's Specials block. Order forms for her college sports themed picture books were sent home in last Friday's Jaguar Folders. Please remind your students and return any that you receive to the Media Center.
