

Do you need **books** for your classroom library?

In the Copy Room, you'll find shelves filled with books that have been removed from our Media Center's collection. Please feel free to take any and all that you can use in your classroom! Since they are Fulton County property, they *cannot* be given to the students as gifts.

Thanks to Susan Polk for sharing a Barnes and Noble Special Event from April 9th-17th... get 25% off your purchase. On April 16th and 17th, they've advertised raffles and giveaways as well. Don't forget that Barnes and Noble offers educators 20% off every day!

NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!

Laptop and iPad Care

Please make sure that you have an organized way to distribute and collect the iPads and laptops. We've had several instances of laptops being dropped and one that needed significant repair as a result I've also noticed that some are being returned *unplugged* which means they will not charge overnight. Thank you!
