

Georgia Picture and Chapter Book Awards

I'll be reading lots of contenders for the Georgia Picture and Georgia Chapter book awards to the students over the next few months. As much as possible, I'd like to integrate the stories with ELA skills that you are working on in class. I'll be referring to your posted scope and sequence, so please let me know if you're doing something different or if there are specific ELA skills you'd like me to target.

Laptop Cart Etiquette

Please let me know if you encounter any problems with any of the laptops and leave a sticky note on the problematic laptops explaining (in general) what was wrong.

Also, please return the cart in good condition. The cords should not be tangled and all laptops should be plugged in.

Spotlight on a fantastic resource:

Looking for ideas or inspiration for your classroom? There are many excellent e-books on a WIDE VARIETY of topics available in the Professional Development Group on MackinVia! You might be surprised at what you can find in just a few minutes of browsing.

NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!

TV or White Board?

How has your class been viewing the morning news- TV or internet? Please let me know if you are having trouble using the Safari Montage web-based system. Eventually, we will not be broadcasting over the AV system, so I need to make sure that everyone can access it through the internet.
