

Have you taken your class to the Computer Lab yet this year?

*Great News!*

*BOTH computer labs (A-Hall and C-Hall) now have mounted projectors which makes them equally usable with your students!*

*Sign up via the online calendars to use Redbird, IXL, or MackinVia and Safari Montage for research.*

The Book Fair is Coming!

November 16-20<sup>th</sup>

Book Fair posters have started to arrive in the Media Center. Check them out in the main hallway! Have YOUR class create one – not only will it help us advertise for the Book Fair, but it will also earn you a free paperback book for your classroom!

October 19, 2015 – October 23, 2015

Spotlight on a fantastic resource:

**READQUARIUM**

This amazing site is a one-stop resource for countless engaging and skill specific ELA games for your students (K-5). You can find it on MackinVia by clicking on the Reading and Writing/ELA Skills Group and scrolling down to READQUARIUM!

**NEWS FROM THE MEDIA CENTER THAT YOU CAN USE (REALLY)!**

Sight words? Comprehension skills? Interactive stories? It's ALL here!

**Birthday Book Club**

Notices are placed in your mailboxes monthly to be sent home with students whose birthdays are in the upcoming month. Please send all completed forms with accompanying checks to the Media Center . The students will then choose the book that they are buying for the Media Center and will be the first to check out the book! A sticker will be placed inside to identify it as a book that was purchased in their honor.
